

# VOLUNTEER APPLICATION

405 S. Washington St. Owosso, MI 48867

989-725-9464

Volunteers play a vital role in the success of the Steam Railroading Institute by dedicating time and an incredible amount of energy to preserve and operate steam-era locomotives and equipment. We are pleased to invite you to join our volunteer program to further actualize our heritage of steam railroading. In addition to finding community, friendship, and learning the skills that built our nation, our volunteer incentive program enables us to offer complementary tickets to ride our excursions.
